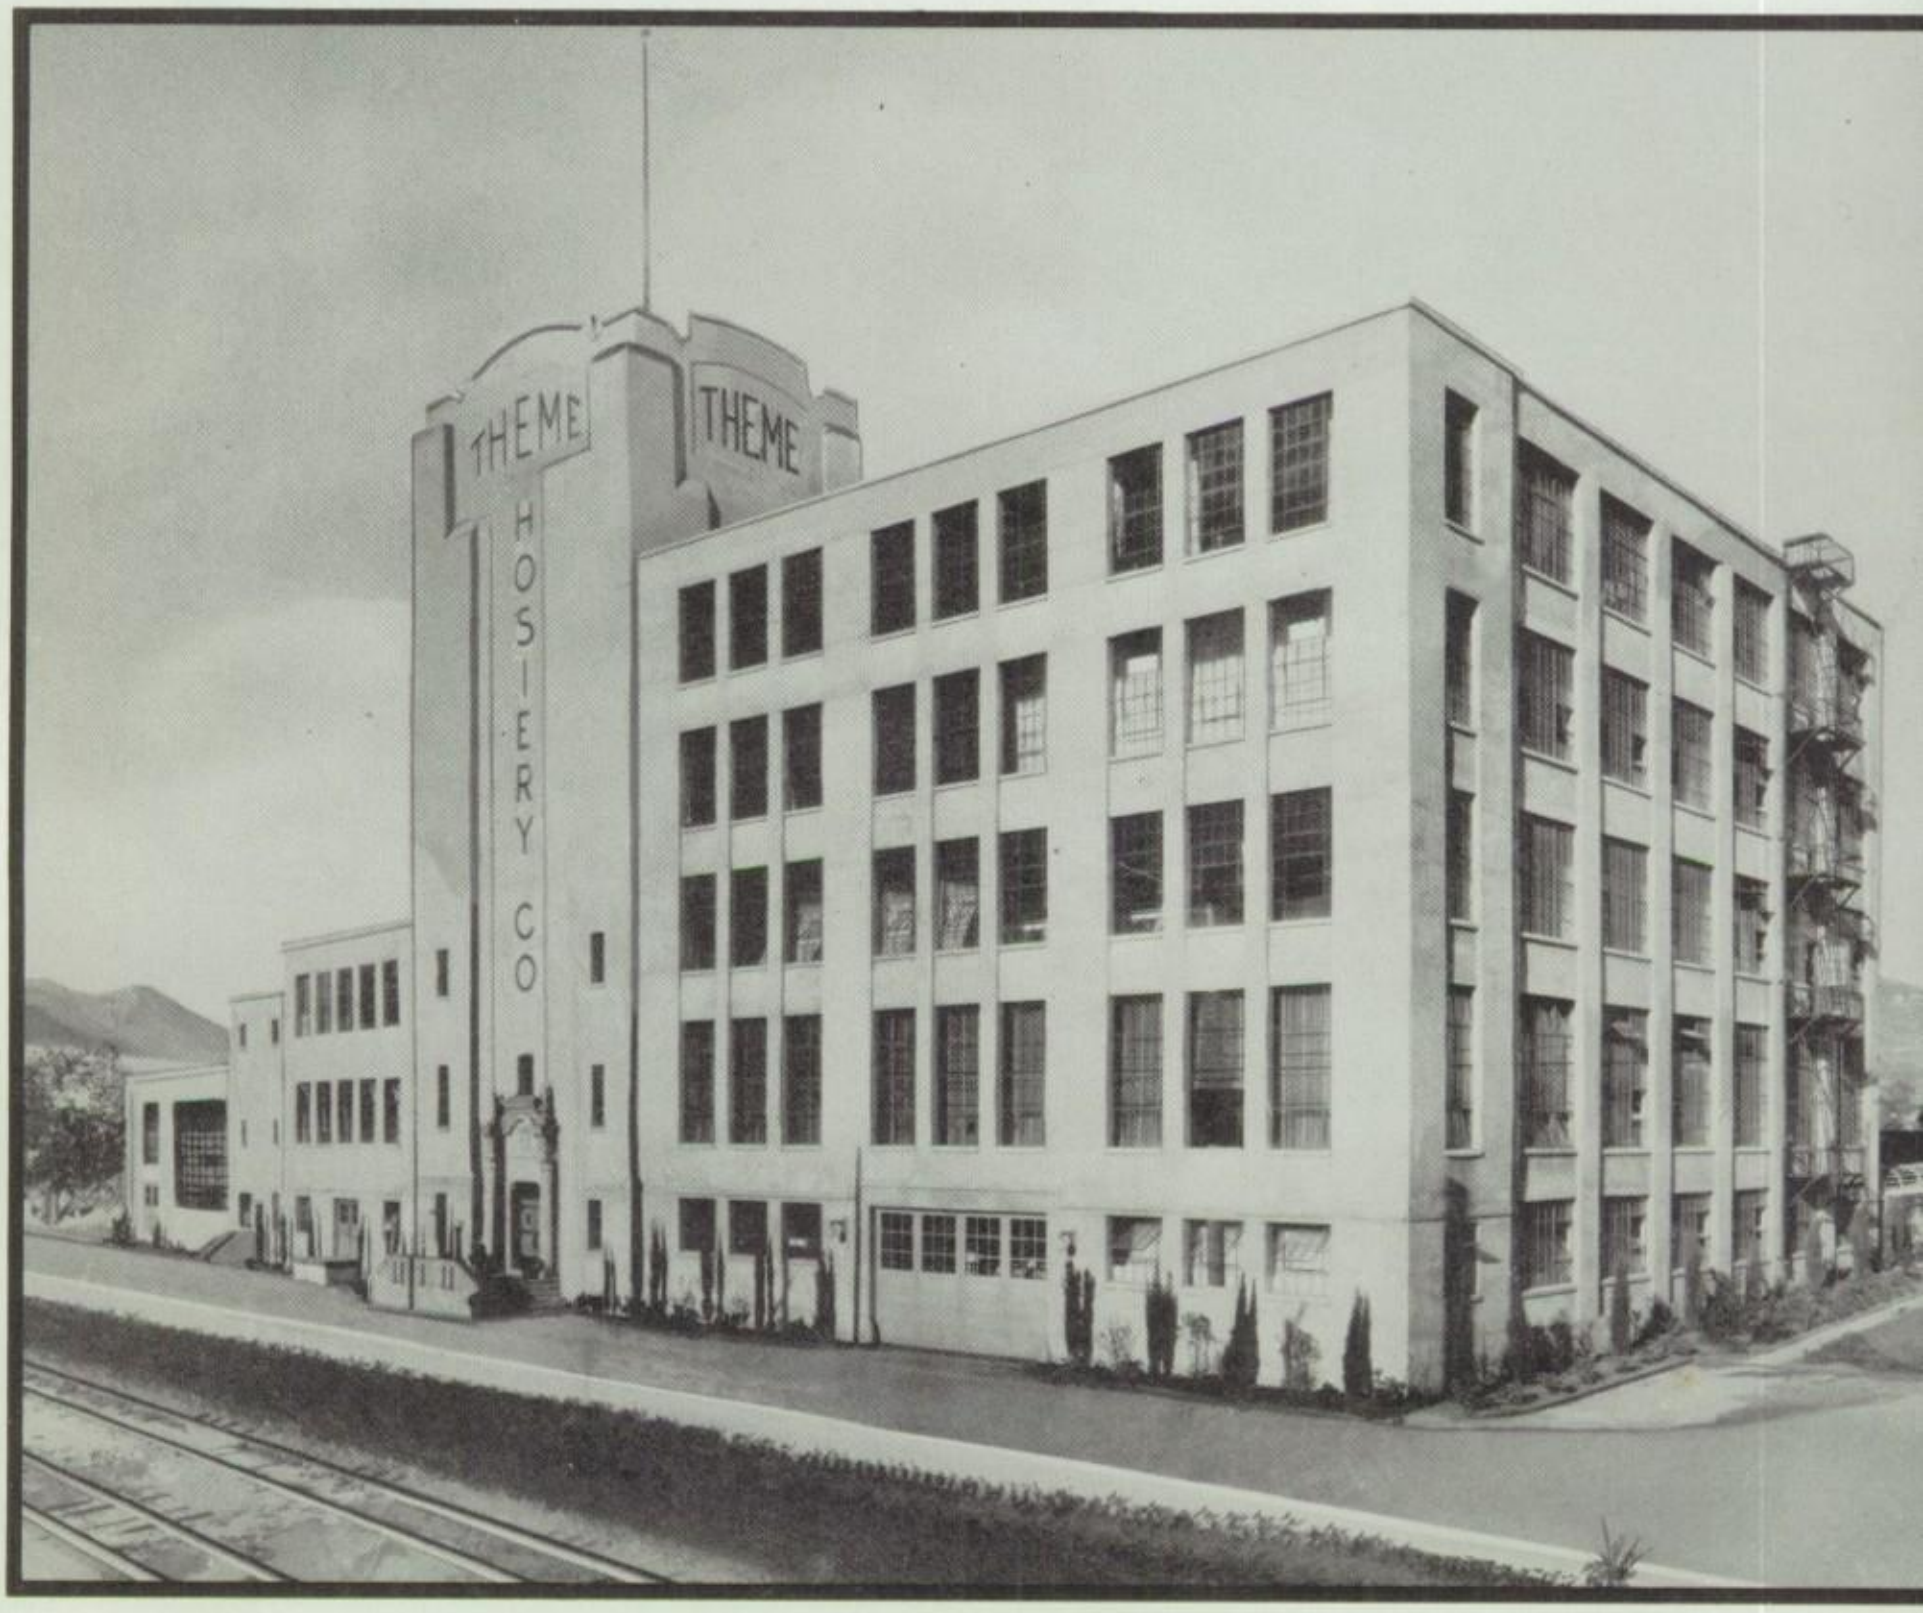
PATER NOSTER
1960-1977
AND BEYOND . . .



WITH THE PASSAGE OF TIME GREAT CHANGES HAVE TAKEN PLACE. — SINCE MANY OF THESE CHANGES GO UNNOTICED TO US AT PATER NOSTER, IT IS GOOD TO LOOK BACK AND SEE FROM WHENCE OUR SCHOOL CAME — THE THEME HOSIERY FACTORY THAT WAS — TO THE PATER NOSTER THAT IS. THE PAST WITH ITS FOND MEMORIES OF MACHINES, WORKERS, SUPERVISORS, CONTRASTED WITH THE PRESENT IN A BUILDING RE-CREATED FOR THE CHRISTIAN EDUCATION OF YOUTH WITH A LOYAL FACULTY AND A CHRISTIAN COMMUNITY, BOTH DEDICATED TO THE SERVICE OF GOD AND THE COMMUNITY IN WHICH WE LIVE. TO YOU THE STUDENTS AND FACULTY — PAST, PRESENT, AND TO COME — WE PROUDLY DEDICATE THIS ISSUE OF OUR YEARBOOK AS A TOKEN OF OUR GRATITUDE.

SENIOR CLASS STORY

September 1973 - June 1974 * Freshman Year

ENERGY CRISIS PARALYZES U.S. . . . GAS PRICES GO UP . . . MIAMI WINS SUPER BOWL . . . LED ZEPPELIN RELEASES "STAIRWAY TO HEAVEN" ALBUM----------

On September 8, 1973, Pater Noster High School opened its doors to the Class of 1977 for the very first time. Boasting some 92 initial members, this class immediately blended itself into the school structure. After the election of class officers the then Senior Class sponsored a "Welcome Freshmen Dance" to raise money for the class of 77.

The J.V. Football team, comprised mostly of freshmen, withstood a tough schedule against bigger and better-equipped schools while the freshman basketball team posted a second place spot in league standings. Freshmen also contributed to the highly successful J.V. track team and to the expanding soccer program at Pater Noster.

The Sodality was resurrected at P.N., with freshmen holding all key positions. By year's end the club had donated several hundred dollars' worth of supplies to a Catholiç missionary in New Guinea.

As the Class of '74 departed, the freshmen looked on with anticipation to the summer and the start of a new school year, hoping that their familiarity with each other would make for a more successful sophomore year.

September 1974 - June 1975 * Sophomore Year

BUS STRIKE STRANDS THOUSANDS IN LOS ANGELES . . .
FORD PARDONS NIXON . . . AUTO INDUSTRY OFFERS REBATES
. . . SKID-ROW SLASHER TERRORIZES LOS ANGELES . . .
GOLD SKYROCKETS TO OVER $200 PER OUNCE WHILE PAPER
TUMBLES TO LESS THAN $5 PER TON . . . U.S.C. WINS ROSE
BOWL IN DYING MINUTES AGAINST OHIO STATE . . . SOUTH
VIETNAM FALLS----------

The return of only 68 sophomores makes for a less than auspicious beginning for the Class of '77. Economic situations cause the Sophomore Class Raffle and Paper Drive to be moderate achievements as students slipped into the daily grind of classwork and homework. J.V. Football team comes to within a couple of blown penalties of winning league. The sophomores on the J.V. basketball team contributed to a winning record while the J.V. track and soccer teams maintained the previous year's level of greatness.

In Spirit Week competition the Sophomores were narrowly defeated by the Juniors in football (7-0) and the Seniors in basektball (40-36). The Sophomores got their revenge during Sports Night by humbling the Juniors in a lopsided game but were repulsed by the Seniors in the tug o'war.

September 1975 - June 1976 * Junior Year

DOUBLE-DIGIT INFLATION HINDERS ECONOMY . . .
THE BRITISH POUND SLIPS ON WORLD CURRENCY SCALES . . . CARTER WINS NEW HAMPSHIRE PRIMARY . . .
PITTSBURGH TRIUMPHS AGAIN IN THE SUPER BOWL . . .
DISCO CRAZE SWEEPS U.S. . . .

Surprisingly enough, only 43 members of the Class of '77 returned in September of 1975. However, even though the Juniors were small in size, they were big on Spirit and went on to have a properous year. Several activities and car washes were held to raise money, and these ventures resulted in a well-supported Junior Class dance at year's end.

The varsity football team advanced to the CIF playoffs, due partly to the talent the Juniors on the squad injected, but in most other forms of athletics the size of the junior class proved to be a slight handicap.

During Spirit week the Juniors pulled off the biggest upset of the year by out-tugging the Seniors in the semifinals of the tug o' war, but in the finals the Sophomores came, seemingly out of nowhere, to hold off the Juniors and claim the title of "champion."

At the close of the year the Student Council sponsored a Student Body Paper Drive with prize money to the class which acquired the most paper. The means by which some of those papers were acquired was a little suspect, but the Juniors were named co-champions along with the Seniors in a disputed split decision.

Competition between the Junior and Senior classes reached such a fever pitch that a water-balloon fight occurred between them in late May. Casualties were held to a minimum and fighting subsided with the close of the school year.

September 1976 - June 1977 * Senior Year

CARTER DEFEATS FORD IN PRESIDENTIAL ELECTION . . .
. . . THE PRICE OF GOLD PLUMMETS . . . SUSPECTED SKID-
ROW SLASHER VAUGHN GREENWOOD GIVEN MULTIPLE LIFE SENTENCES . . . "FRAMPTON COMES ALIVE" BECOMES ALL-TIME #1 ALBUM . . .

The senior year has finally arrived for all 43 members of the Class of '77. Spurred on by new leadership the class organized its Prom and Grad Night with money contributed from class dues, money in the treasury, car wash and an innovative "Gong Show" featuring Paster Noster's "finest" talent.

Individual Seniors participated in the athletic program at Pater Noster which was highlighted by the soccer team's appearance in the CIF playoffs.

Thus, after 4 years of high school education at Pater Noster, the Class of '77 has graduated. Only a small part of this class contributions to the school have been recounted here, yet each incident in it self plays a part in the explanation of the character of this class. New horizons loom ahead and each of us look with hope to the future, thanks to our remembrance of the past.

This year's Varsity Football team had trouble getting on track; there was a lot of young talent on the team but injuries interfered with them putting it together. The Eagles were hampered in the first three games by the loss of five starters with injuries. Although the team won only one game, the Eagles displayed tremendous determination throughout the season. Even though the Eagles were 0-4 in League, there were several bright spots as three members made all league. Jerry Mejia, a Junior, as defensive back; Frank Immel, also a Junior, as an offensive lineman; and Henry Orona, a Sophomore, as a defensive back.

1) Ed Polanco, Arturo Fernandez and Miguel Escobar almost on time.

2) Now it's your turn Offence!

3) Jerry Mejia makes it look easy with his "Heisman Trophy Style."

THE PATER NOSTER VARSITY BASKETBALL TEAM BATTLES AGAINST TOUGH OPPOSITION

Though the Pater Noster Varsity Basketball team won only one game during the year, there were some fine individual performances, and the team returns six players for the next season. Julio Mendivel, the only returning letterman from the 1975-76 P.N. varsity, was P.N., S.M.V.P. and made all Santa Fe league averaging 17 points per game. Seniors Steve Costable, P.N.'s captain, Roland Poestoke, and Alex Perez played well in final year of P.N. basketball. Juniors Jerry Mejia, the team's 2nd leading scorer, and John Wilkins, performed well for this year's Eagle team. Bill Szitkar, Rusty Buenevidos, and Frank Immel came off the bench to help the Eagles' cause.Sophomore Henry Orona, the team's third leading scorer, played quite well for a sophomore and will help the team next year. The Pater Noster Varsity team can look forward to a better year in 1977-78 with six returning lettermen, and a fine group of juniors and sophomores that could make the Pater Noster Basketball team a success for many years.

JUNIOR VARSITY BASKETBALL TEAM ENDS SEASON WITH RECORD OF 6-12 OVERALL AND 4-8 IN LEAGUE

Playing with a team made up with 13 sophomores and only one junior, the J.V. basketball team finished the season with a record of 6-12 overall and 4-8 in the league. What they lacked in size and experience they more than made up for in determination and hustle. Kingston Lee on offense, Cisco Acevedo and Frank De Los Reyes on defense, and Gilbert Navarez on the boards were the individual leaders for the Eagles.

Pater Noster's "Young" Cross Country Team Fights Against Tough Opposition

The 1976 Eagle Cross Country Team had many ups and downs this season. The team was young, in that it consisted of only one senior and two juniors. The team entered two major invitationals: the Bell Jeff and the Chaminade, where the runners gained invaluable experience in competing against some of the best teams in Southern California. The highlights of the season were the two varsity victories over Saint Monica's (27-28) and Bosco Tel (26-27). Hopefully, if all the junior varsity runners return next season, our team should be very competitive in 1977.

The varsity award winners for the Eagles were Frank Mannino, MVP; John Perrenoud, Most Inspirational; Willy Burr, Most Improved; and David Munoz received the Coach's A ward. On the Junior level, the winners were James Herold, MVP; Al Polack, Most Improved; and Lorenzo Perez, the Coach's Award.

VARSITY SOCCER TEAM MAKES THE CIF PLAYOFFS

The year 1977 saw only the second team in 14 years at Pater Noster to go into the CIF playoffs in soccer. The year started off with two wins in a row for the team. After that the team lost 4 in a row before they entered league competition. We are members of the Santa Fe league which has one of the strongest soccer teams in the CIF 3A section, Bosco Tech High School. As expected Bosco Tech won the league championship, but Pater Noster, by its victories over Chaminade and Cathedral came in second. Pater Noster played two tied games with La Salle High School the only competition for second place. The second game played here at Pater Noster was especially rewarding. Behind 3-1 late in the second half, Pater Noster scored two goals to tie up the game. Pater Noster had a number of new faces this year with players moving up from the junior varsity to replace players who graduated last year. Two new players who had not played previously with Pater Noster, Luis Barrueta and Rodrigo Valjalo added experience and skill to the team. The team that went into the playoffs was not the same team that had started the season. Injuries and drop outs had reduced the overall effect of the team, and Pater Noster lost to Gladstone four to nothing. Yet by getting into playoffs, the team made it a successful year. We wish to thank Brother James Murphy, Mr. Manuel Polanco and Mr. Luis Toapanta for their help all throughout the year. They played as great a part as any person in making this season a successful one for all of us.

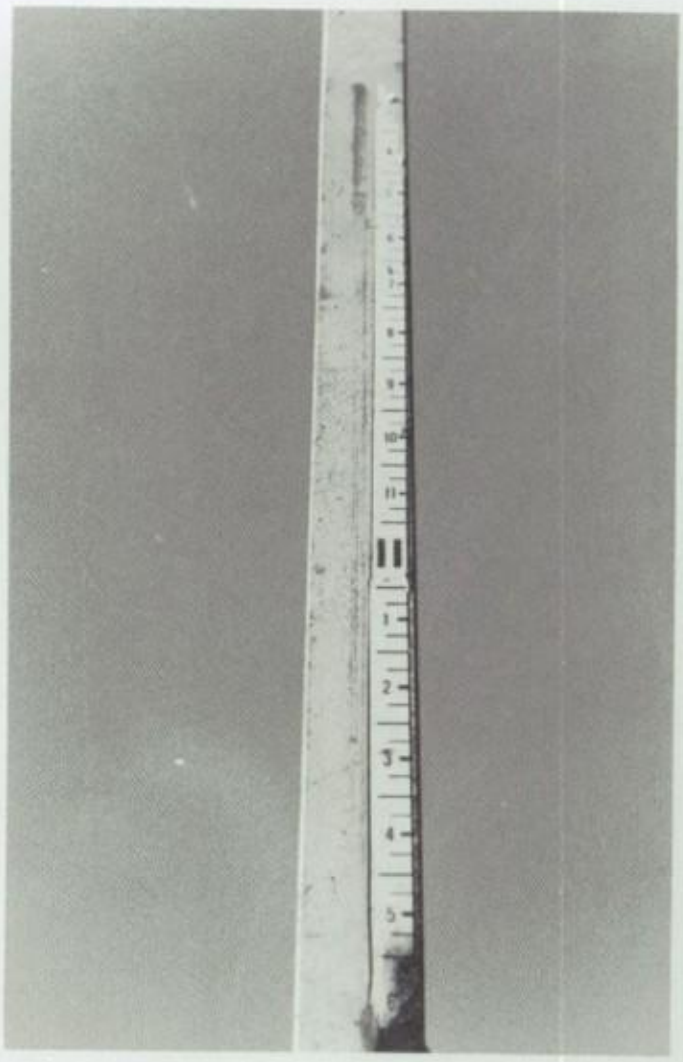
TRACK



VARSITY

The 1977 season finds the Varsity Track Team with a handful of individual stars, but lacking in depth. Two Santa Fe League champions of 1976 return to the squad, Jon Perrenoud in the pole vault and Jerry Mejia in the long jump. Other athletes who show promise on the varsity this season are 440 runner, Hector Pino and distance ace, Frank Mannino. Due to the lack of depth on the varsity squad, dual meet competition will weigh heavily on the members of the team, but as the CIF Pre-lims and Finals approach in May, Pater Noster should be well represented on the Varsity level.

FROSH — SOPH

As in 1976, the Frosh/Soph track squad looks as strong as ever. Losing only one meet last year, the Frosh/Soph team hopes to improve to a perfect league record. Tough competition will be found in the Santa Fe League from the always powerful La Salle and Cathedral High Schools. The team showed its strength early in the season with a 80½ to 40½ to 15 point victory over Bell-Jeff and Bretheren High School in a Tri-meet. Outstanding individuals on the team are soph. Hector Sandoval, 1976 League champ Manny Quezada, Anthony Nieves, David Munoz, Lorenzo Perez and Otto Merlano. Newcomers who show great promise are Vince Exposito, Willy Burr, Joe Cepeda and Jame Herold. The 1977 campaign looks to be very bright.

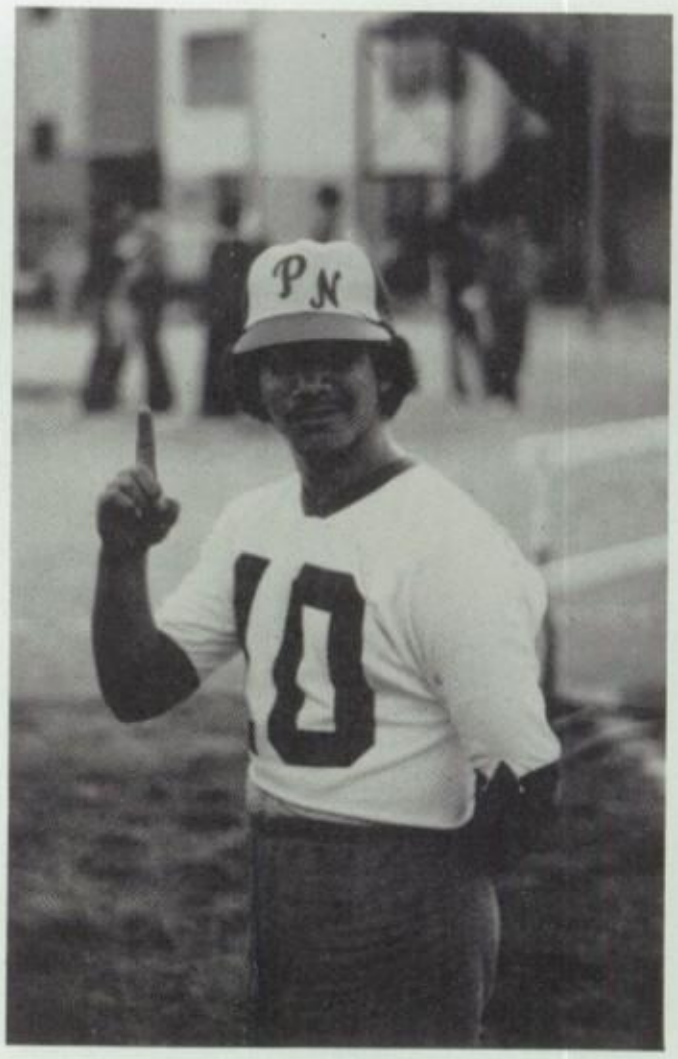
VARSITY



Pater Noster has gained a fine reputation in baseball as they have advanced into playoff action in the past few seasons. This years' squad seems to be living up to this reputation. Pitchers who will see alot of action this year are Berto Orozco, Ralph Pesi, and Luis Zaldivar. Bill Szitkar will serve as catcher with Louis Lauterio as backup. The infielders include Pepe Dominguez, Rollie Martinez, Julio Mendival, Richard Sinquimani, and Robert Gutierrez; outfielders John Wilkins, Albert Colon, Dan Francuz, Frank Immel, and Frank Navarro. The team's coach is Mr. James Patrella, a former professional baseball player.

VARSITY

Starting the school year off with the first of many activities, the Junior class of '77 had their first of several outings with Holy Family. Planned and co-ordinated by Mr. Hawkesworth, Adoloph Torres, and Stella Duran, Holy Family Junior Class President, the outing to Ferndale Park turned out to be a success.

The activities of the day ranged from baseball and touch football to volleyball and free-style frisbee throwing. People that cared for none of these sports were turned on to just lazing around and talking to newly found friends.

The day was topped off with a record-hop that evening in the auditorium of Holy Family. Everyone that went enjoyed themselves both at the dance and the picnic.

The election match-up for 1976 pitted a conservative Republican Gerald Ford and an outspoken Democrat Jimmy Carter. The campaign struggles included federal spending, tax reduction, and rearrangement of the federal bureacracy. Ford, seeking an offical approval of the American people for the presidency, gained the favor of major states, such as California, while the former governor of Georgia, Carter, stayed in the solid south to win the election by a small margin.

In late October of 1976, members of Pater Noster's Spanish 3 class planned a debate (the first of any kind in our school history) with girls from Loretto High Spanish 3 Class. Representatives Efrain Baeza, Alex Calvillo, and Pepe Dominguez, along with teacher Mr. Barretto and A.S.B. representatives Alan Sclafani, paid a visit to the girls' school and its Spanish teacher, Miss Bedola.

Because of uncontrollable circumstances, the Spanish 3 class was compelled to yield debate privileges to the advanced Spanish 2 class. It was agreed however, to have the debate on the morning of Nov. 19, in Pater Noster's auditoruim.

The debate team consisted of Henry Juarez, Oscar Lopez, Juan Hernandez, Sergio Zaldivar and Henry Pollack.

The debate, although rather one sided, (P.N. was victorious) was a great success and all who made it possible deserve a hearty thanks.

It is a never ending wonder for me how my days lead

. . . To the start of superior journeys.
To see nothing anywhere but what you may reach it and pass it,
To conceive no time however distant, but what you reach it and pass it,
To look up and down no road but it stretches
And waits for you, however long but it stretches and waits for you . . .
To gather the minds of men out of their brains as you encounter them.
To gather the love out of their hearts,
To know the world itself as a road, as many roads to hope,
As roads for traveling souls.

- Helen Keller

HAWKESWORTH

George,

I must say you are very mature and have a beautiful outlook towards life. Also I envy you for your patience in which I don't think I have. Another thing I want you to know is that I definately consider you as the one and only most cherished and loved person in my life at the moment. I'll try not too get to out of hand in regards to your book, but just think when you look back in years to come this will be the only ~~acceptance~~ epoch you have to remember me by.

I've much to say although I would need more than just this page to write on. One thing is that I'm sure we will enjoy many more precious moments together as we have for the past one year we've known each. As you said while regarding my yearbooks "Hope we keep on seeing each other for many years to come." I also hope the same.

I'm not planning on going any where all the world on introducing ~~ourself~~ for sooner or later we were going to get acquainted, and knowing me and my big mouth I would of probably introduced myself.

If their was an award for the person with worst sence of direction, I would for sure present you with it. I'm sure I'm getting lost as it actually doesn't bother me as it use too.

Sometimes it seems like such a distant memory ago I thought about you being shy and timid but under all that your are great as crazy as me. So for now I'm still trying to find a way on how too become a millionaire at the ripe old age of seventeen.

Thinking of you always
Amour
Linda
